Reason for being here today _____

I understand that the massage/bodywork I receive is provided for the basic purpose of relaxation, stress reduction, and relief of muscular tension and pain. If I experience any pain or discomfort during this session, I will immediately inform you so that the pressure and/ or strokes may be adjusted to my level of comfort.

I further understand that massage/bodywork should not be construed as a substitute for medical examination, diagnosis, or treatment and that I should see a physician, chiropractor, or other qualified medical specialist for any mental or physical ailment that I am aware of. Nothing said in the course of the session(s) given should be construed as such.

Because massage/ bodywork should not be done under certain medical conditions, I affirm that I have stated all my known medical conditions, and answered all questions honestly. I agree to keep the practitioner updated as to any changes in my medical profile, and understand that there shall be no liability on the practitioner's part should I forget to do so.

It is also understood that any illicit or sexually suggestive remarks or advances made will result in immediate termination of the session.

24-hour notice to cancel an appointment is required. If 24 hour is not given, you will be charged for it, if it has not filled.
